

BELLINGHAM PLANNING BOARD

BELLINGHAM, MASS.

Meeting of September 8, 1960

Present: E. DeBouin
R. B. Biron

The scheduled public ^{HEARING} on the subdivision of the Lee Realty Trust, Thomas Lee, Jr., Trustee, located on Maple street and consisting of 67 lots, was held.

A few of the abutters appeared to inquire about the said subdivision. They were Mr. & Mrs. Bernard Fielder, Mr. Paul Volk, Mrs. Knoerzer and Mr. Fagan. They only concern was that they did not want to have any drainage problems created by this subdivision. They were not opposed to the said subdivision, unless drainage problems were created.

(~~Minutes~~) No official action was taken on this subdivision since only two members of the Board were present, and furthermore there was some time left before the sixty days ran out.
