

BELLINGHAM PLANNING BOARD

BELLINGHAM, MASS.

Meeting of Monday, April 3, 1961

Three members were present: E. DeRouin
R. Richard
R. B. Biron

Mr. Boisseau and Mr. Malo from Green Acres/ appeared before the Board to talk about the acceptance of their street, known as Lizotte Drive. They asked the members of the Board to recommend the acceptance of Lizotte Drive from Paririe St. to Newland St., a distance of approximately 221.20 feet. Some discussion was held on this matter. Some members of the Board wondered wether or not the recommendation of the Board was necessary on this matter. It was decided to consult with the Town Counsel and to check the law on this matter before we take any action.

The mebers of the Board then signed the perimeter plan of the Johnson property. Mr. Eugene Tougas was the one that appeared before the Board with this perimeter plan for his client, Mr. Sanford A. Kaplan. This plan was for the land court, and it was of the type that did not require a public hearing. (A.N.R.).

The following bills were then unanimously approved for payment:

Mass. Federation of Planning Boards	\$20.00	Dues
R. B. Biron's bill	\$27.49	Expenses for P/B
Chronotype Co.	\$112.75	For printing of Zoning By-Laws with map.

The Board was then read a letter by the clerk, which had been received (by) from the Economics Development Associates, Inc., notifying us that it had filed our appliation for a master plan with the Mass. Dept. of Commerce, which would in (name) turn try to obtain matching funds from the Federal Government.

It was then voted unanimously to start all of our future meetings at 7:00 P.M. instead of 8:00 P.M.
