The Board unanimously voted to authorize the clerk to send the Veterans Administration a letter stating that as far as the developer, in the subdivision known as Alfarm Street Realty Trust, is concerned that he would be required to install at his own expense all the municipal services required by our regulations, and that no special assessment would be placed on those services which the petitioner is required by our regulations to install at his own expense.

Mr. Eugene Tougas appeared before the Board with his client Mr. Sanford A. Kaplan. He stated that his purpose to be present was to bring additional copies of his subdivision, but had misplaced them, and that he would drop some off at a later date.

A motion was then made by H. Richardson which was seconded by R. B. Biron to reconsider the action taken by the Board on the subdivision of Sanford A. Kaplan. This subdivision had been conditionally approved on May 1, 1961. This motion did not carry. Mr. E. DeRouin, R. Richard and H. Guerin voting against the motion. H. Richardson and R. B.
