Meeting of January 11, 1962

Present were: E. DeRouin

H. Richardson

Mr. Norman Grossman, representing Campenelli Bros., was present. Mr. Grossman stated that some roads were completed and that a sum of money was being held in escrow for the completion of all roads and sidewalks by various banks, such as the Boston Five Cent Savings Bank. Mr. Grossman stated that he would send us three letters giving the Bellingham Planning Board the following information:

The homes and lots numbers that should have a release on.

A letter stating the amount of money that is being held in ^s escrow for the completion of the terms in the covenant.

Another letter would be sent to the Planning Board giving the date that the covenant was registered.

Mr. W. Arcand, Supt. of Highways was also present and said that he would send the Bellingham Planning Board a letter estimating the cost for the completion of the roads and sidewalks in Wethersfield.

This meeting was not a legal meeting because there were only two Planning Board Members present.
