

BELLINGHAM PLANNING BOARD
TOWN HALL - PLANNING BOARD ROOM
BELLINGHAM, MASS.

REGULAR MEETING OF AUGUST 7, 1969

MEMBERS PRESENT: Michele S. Parisi, Chairman
Gerard L. Daigle, Clerk
James E. Hart

Chairman Parisi opened the meeting at 8:50 P.M. and dispensed with the regular order of business. There were no objections.

Consultant Phil Herr was present and presented members with proposed amendments on Home Occupations and Special Permits for their consideration. Billboards were discussed. Control of billboards will be left entirely up to the various towns involved. Herr will draw up an amendment to the effect that ones already in use can stay but no new billboards will be permitted.

Town Counsel Lee Ambler appeared to discuss Weathersfield I and II, Lots 3001 to 3005 and 3035 to 3041 where perk tests were not approved by the Board of Health. New tests will be resubmitted and the lots in question may be up before the Board for approval. Board will await word from the Board of Health.

A discussion was then held on the proposed camping site of Clifford Grover. Before Town Counsel can give a ruling he would like to learn what type of structures or tents would be allowed on the site; would there be any supervised program for the campers and what basic facilities would be made available.

Meeting was adjourned at 10:00 P.M.
