

BELLINGHAM PLANNING BOARD  
TOWN HALL ANNEX  
BELLINGHAM, MASSACHUSETTS

Regular Meeting of December 14, 1978

Members Present: John P. Murray, Chairman  
Sergio Rotatori, Vice-Chairman, Clerk  
Gerald R. Brisson  
Normand Langlais

Chairman Murray opened the meeting at 8:15 P.M.

On a Brisson-Langlais motion a bill in the amount of \$149.34 to Philip B. Herr & Associates for Sepias Topo Maps was unanimously approved.

Gerald Burke representing the developers of Horseshoe Drive subdivision told the Board that Sampson had gone to the Board of Health that Monday evening. Nothing had been decided. Burke felt the Board of Health should at least give them something in writing indicating what they objected to in the plans. Board of Health has written to the Planning Board stating that they needed more time to study the plan. Burke requested another extension of time. On a Langlais-Brisson motion the Board voted unanimously to grant an extension of time to January 12, 1979.

A subscription to Massachusetts Advocate will be sought by the Secretary.

Budgets were gone over. It was decided to seek the purchase of a map file cabinet. Permission will be sought to have the file, if approved, located in the meeting room in the annex where the Planning Board's meetings are conducted. Secretary salary was discussed and it was decided that a 7% increase would be sought.

Board also held a discussion on seeking a \$300/year salary for the Board members. Murray and Brisson both felt that the Board was participating more actively in the new subdivisions. No mileage has ever been sought by Board members. Secretary will submit the budgets to the Finance Committee.

Meeting was adjourned at 9:45 P.M. on a Langlais-Brisson motion, unanimous.

Respectfully submitted,

Sergio Rotatori, Clerk
