Brennan brought up his motion regarding authorizing the Chairman to set-up hearings between meetings. He felt it was not clear that the hearings should be scheduled for the regular Board's meeting nights. No special meetings would be scheduled. On a Brennan-Rosenlund motion, it was unanimously voted to amend the previous motion to read to authorize the Chairman and/or Secretary to set public hearing dates as long as the hearing date falls on a regular meeting night of the Planning Board.

Rosenlund told the Board that he had expected that Roger Oakley would appear before the Board. Thomas Clark had asked for a permit for a sign at the new entrance at the Bellingham Shopping Center. No signs were shown on the site plan review. Rosenlund felt it was made quite clear to Clark at the time of the site plan review that if he did not show a sign, he could not have one. Clark stated he had no plans for any further sign. Signs at the Shopping Plaza have been discussed by the Board before and they are in violation of the by-law.

Meeting was adjourned at 9:00 P.M. on a Brennan-Rotatori motion.

Respectfully submitted,

John P. Murray, Chairman
