Secretary reported to board that she had spent 3 hours up and down in old town hall researching plans for Dave Macedo from Weston & Sampson. Plans/profiles are missing for Scott Hill Acres, Wethersfield and Scott Hill Gardens. There is a possibility that they were removed by Weston & Sampson for the original sewer and never returned.

Circle CG Farm is having problems with oversized. Records have to be researched as to permits and minutes. The project took place around 1969. Clifford Grover and Oak Woods may also be what the information is filed under.
