Buffy Lane and Penny Lane Street Acceptance

There are comments from Don DiMartino (DPW) and the Conservation Commission. TJG asked about monies for basin maintenance,

BJS instructed SJW to contact the applicant and advise that the Planning Board will not recommend roads for street acceptance until all the work requested by Conservation and DPW are completed.

Planners Report

SJW advised the Board that there was an issue with D & N Estates. Not every abutter received a notification from the applicant. This was brought to the Planner's attention after the appeal period had expired so she contacted town counsel for advice. It was decided that a notification would be sent to all those who did not receive initial notification would be contacted and given the opportunity to offer comments or concerns regarding the project.

SJW and RRL updated the Board on the Pulaski Blvd committee activities. The bylaw would be sent to the Board of Selectmen on March 19, 2007 for signing for the warrant.

MC advised the Board that Bellingham is working with the MAPC as part of a MAPC grant to address better storm water management practices and encourage low impact development.

RRL commented that the new Walgreens could use some signage to direct people exiting to the proper exit to get back to Mechanic Street. SJW will contact Arista Development and suggest that the signage be added to the site.

BJS asked SJW if the Planning Office had received any plans for the roadway improvements for 495 and Hartford Avenue. SJW advised him that no plans had been
