Time:	7:00 pm
Location:	Changed to Florence Sawyer Auditorium located at 100 Mechanics Street, Bolton
Next Meeting:	

General Business 7:00 pm

Time	Description
7:00 pm	Please join the Bolton Economic Development Committee (EDC) on Tuesday, November 15, 2011 at 7:00pm at the Bolton Town Hall. Both realtors and developers have been invited to this meeting to discuss some of the EDC initiatives as well as to discuss economic development challenges. The Town was recently designated as an Economic Target Area (ETA) and Economic Distressed Area (EDA) by the Massachusetts Office of Business Development. This designation allows Bolton to offer local tax incentives to qualified businesses as well as eligibility for State tax incentives. A representative from the Massachusetts Office of Business Development will be present to discuss and answer questions about the ETA tax incentive program as well as potential grants and loans available through Mass Development.
Following discussion:	Members of the Planning Board will discuss the mixed use overlay and/or possible zoning changes
