Updates:

- **Economic Development Plan**
 - Still need to follow-up with outcome of Tax Assessor's review of AT&T & Future electronics abatement requests.
 - Get more members involved in task time-line
 - Website, survey, data collection, public forum, blogs, newspaper
 - Dina to forward survey around to members for feedback

- **Web Site**
 - Feeling that the website development to-date is looking too community oriented and less business. Really needs to attract businesses – and help them understand why they would want to do business in Bolton. Get feedback to Lysa
