

BOLTON HISTORICAL COMMISSION
MEETING MINUTES
January 16, 2013

MBR
Attending: Martha Remington, Chairman, J. Howard Black, Alice Coggeshall, Linda Engelmann

Absent: Marshall McKee

The meeting was called to order at 6:05 p.m. in the Town Hall.

1. **Minutes** – Alice will revise the 9/19 minutes and the Jan. 2nd minutes were approved.
2. **32-34 Harvard Road demolition application** – An additional photograph of the front of the cape will be taken.
3. **Bolton barns** – The barns on Bolton roads from A – K and Sugar to Wilder have been listed. Linda will do those on Main Street and Alice will do Manor Rd. to Sugar.
4. **West Cemetery repairs** - Fannin-Lehner have almost finished the triple headstone and Martha has asked them to do the Atherton stone, which has fallen over since we contracted with them.
5. **Pan Cemetery repairs** – We are thinking of applying for the MPPF Round 19 grant, which application deadline is March 8th, for Pan Cemetery headstone repair. If we have Fannin-Lehner look at the headstones to give an estimate of the amount for which we need to apply, then they cannot be hired to do the work if we get the grant money.

6:47 p.m. Alice made a motion to adjourn the meeting, and Jay seconded it. All agreed and the motion carried.

Respectfully submitted,
Linda Engelmann
