Dear Commission Members:

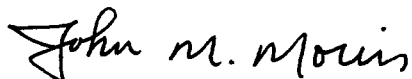

On November 10, 2008 your Commission issued an Order of Conditions for the above referenced property, and on November 5, 2015 your Commission voted to extend the Order until November 10, 2016.

The property was never developed. Our client hopes to put the property back on the market in the near future. At this time, in accordance with Section 192-6 (C.) of your Wetlands Protection Regulations, we are requesting that the Commission issue a one-year extension of the permit; resulting in an expiration date of November 10, 2017. This would be the final extension allowed under your Regulations. Please find enclosed the required \$100 filing fee.

If you have any questions please do not hesitate to contact our office.

Sincerely,

THE MORIN-CAMERON GROUP, INC.
