**Subject:** Tree cutting in buffer zone

Hello Ms. DiPietrantonio,

As you are aware, I have just returned from your property where I observed six tree stumps recently cut within 100' of the intermittent stream on your property. As discussed, I will place the matter on the agenda of the next Conservation Commission meeting scheduled for May 19 at 7:30 p.m., Town Hall, Meeting Room #1. In the meantime, I understand you will send me an after-the-fact request for a Determination of Negligible Impact (DNI) for the removal of the trees. There is a \$50 fee for the DNI application.

You have provided me with a phone number of Royal Green tree service, the company that conducted the work. I have called and left a message with the message service and am hoping for a reply.

Ross
