Dear Commission Members:

Please accept this letter as a request for a Determination of Negligible Impact for the above project for the following work that was not included in the Original Order of Conditions issued for this property. Please find enclosed a plan which shows the existing/proposed work; also enclosed is the \$50 filing fee for the Determination of Negligible Impact.

The work is as follows:

- Enlarge the driveway entrance at the street.

If you have any questions please do not hesitate to contact our office.

Sincerely,
