Re: Extension Request – 10 Maple Avenue, Boxford, MA
DEP File Number: 114-1197

Dear Commission Members:

On May 11, 2015 an Order of Conditions was issued for the above referenced property under both the Massachusetts Wetlands Protection Act and the Boxford Wetlands Protection Bylaw. The project has not yet begun and the applicants are requesting an extension to the Order of Conditions to allow enough time to finish the project.

On behalf of the applicants, Derek & Leigh Repucci, please accept this letter as a request to extend the Order of Conditions issued under DEP File Number 114-1197.

We look forward to presenting this request at your next scheduled public hearing. If you should have any questions regarding this information please do not hesitate to contact our office.

Sincerely,

WILLIAMS & SPARAGES
