Re: Mobile Home

Dear Mr. & Mrs. Castle,

On September 11, 2015 and again on February 16, 2016 I wrote and advised you that the permit you were issued for the mobile home would expire on May 11, 2016. You were given an option which would have enabled you to continue the use for additional time which you chose not to take advantage of.

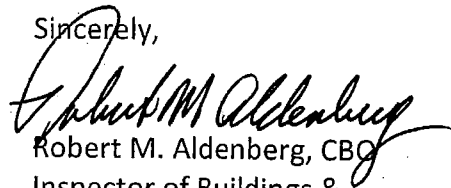

As a result of the lack of any action on your part concerning your option and the fact that no action has been taken to repair the damage to your dwelling, I am this day ordering that within the next 30 days you are ordered to cease occupying the mobile home and shall have it removed from the property no latter that July 20, 2016.

This permit for the mobile home was issued in accordance with Chapter 40a, Section 3 of Mass General Laws which allows for temporary housing in conjunction with damage to a dwelling caused by fire or other natural holocaust. On May 11, 2016 the permit issued has expired and the mobile home is now in violation of the Boxford Zoning Bylaws, specifically Article "V-B", permitted uses.

Therefor, be advised if the mobile home remains on the property after July 20, 2016 then I will begin to issue fines in the amount of \$100.00 per day and each day the violation continues shall be considered to be a separate violation of this order.

If you are aggrieved by this order you may file an appeal in accordance with Section 196-39 of the Boxford Zoning Bylaw and Mass General Law, Chapter 40A, Section 15. Any appeal shall be filed within 30 days of the action taken.

Sincerely,

Robert M. Aldenberg, CBO
