Comments from the Public: none

Old Business:

1. Alferi, Barn Road, drainage pipe. Mr. & Mrs. Alferi were not present yet so this was tabled until later in the meeting.

2. Christensen, 20 Curtis Road, pool and stone patio. Paul Szymanski informed the commission that location of the pool and the patio has changed and it is no longer in the regulated area. He will contact R. Dirienzo for a nonregulated approval.

1. Alferi, Barn Road, drainage pipe. Mr. & Mrs. Alferi were present for this application. J. Lindblom and L. Marble reported on their site visit. As it is now the pipe that was installed is connected to the pipe that the town installed for road drainage. J. Lindblom noted that the size of the pipe has to be larger than the pipe that the town has placed for under the road and not connected to the town's pipe so the town's pipe can be cleaned out when necessary. J. Lindblom also felt the pipe should be 20' from the brook.

J. Lindblom made a motion to approve the application of Alex and Rebecca Alferi on Barn Road, dated September 1, 2015, and including the map dated October 10, 2015. The pipe installed has to be as big or larger than the pipe coming from under the road and no closer than 20' to the brook from construction.

A. McNaughton seconded. Unanimous approval. A. Alferi needs to contact R. Dirienzo before he begins work.
