Discussion: Review and accept 10/26/10 Minutes.

Motion: Neal Cable moved to accept minutes from 10/26/10 meeting.

Dave Sposato seconded. Vote unanimous

Discussion: Status of Wewaka tower application. It is the committee's understanding that the submission of the proposal is imminent. Bill Stewart read a letter from Dan Laub, attorney for the applicant that confirmed this as well as the fact that the applicant had explored other sites and had not found them acceptable or did not come to terms with the owner.

Discussion: Ron Graiff is RF engineer and consultant we are recommending to be hired by the town. Ryan Henry is the attorney we agree should be hired.

Motion: Neal Cable motioned that the committee immediately send its recommendation to the Board of Selectmen to hire Ron Graiff as the RF Engineer and Ryan Henry as the attorney to assist the town.

Peter Mancino seconded. Vote unanimous

Meeting Adjourned

Respectfully submitted,

Edward Franklin
