

BROOKFIELD ARTS COMMISSION
MEETING MINUTES
JULY 29, 2013

PRESENT: Mary Daniel, Chris Aher, Ray Dori, Ann Amorossi

No minutes from June - we did not have a meeting

TREASURER'S REPORT: \$3500.00 (NEW BUDGET)

FILM FESTIVAL FOR 2014: We discussed the dates and have come up with the following: April 4, 5 and 6, 2014. Mary is going to contact ETH to make sure these dates are available. We also discussed the possibility of eliminating the Saturday afternoon performance since it was poorly attended. We would like to have 4 performances and suggested that maybe we have a Thursday evening performance as well...something to think about. It was also suggested that we eliminate wine sales and just sell water and perhaps offer a complimentary punch.

MURAL PROJECT: Mary announced that Jackie Salame was able to get a \$500.00 donation from the Brookfield Chamber of Commerce for this project.

We will start to collect donations for the panels, some of which have already been sold. Mary will be sending out a letter seeking sponsorship donations...seven panels have already been sold, three left. Announcement of the fabrication schedule will be out by the end of this week in Brookfield Matters. We cannot use the schools for the fabrication schedule because of recent security regulations. We will be using the Brookfield Craft Center starting September 15.

FUND RAISER-MURAL PROJECT: Carmel has volunteered to host a fund raiser party at her home September 8th, 3 to 5 pm. This would include refreshments, some sort of activity prepared by the Hunters, a 15 or 20 minute talk about public art and also entertainment. We also discussed the parking situation, perhaps we could consider some sort of shuttle to Carmel's house.

LOCAL LADIES ART SHOW: the reception for this show was very successful and well attended. Again, many thanks to Marian for all her arrangements in making this very successful. The next show will be Colin Harrison in September. Removal date for current show and hanging of the new show to be determined.

NEXT MEETING: Monday, Aug 26th, 2013.
