Old Business

3. Conservation Fund: A request was made to inform the Brookfield community of the upcoming warrant articles that pertain to the Conservation Fund by direct contact or by phone.
4. New CC Members: The point was made that a concentrated effort needs to be made to get more interested people involved with the Conservation Commission Meetings.
5. Meeting Time: A possible alternate meeting time was presented as a topic to consider accommodating prospective members in addition to current members.
6. It was presented that we the CC work together with the Planning Board along with the Selectman therefore a signup sheet will be provided in order that this is accomplished however it is encouraged that all members attend Planning Board Meetings along with Selectman Meetings.

New Business

7. A. Ingalls Dredge Fill Application: This application was submitted by Mr. Pollock, asking for a change in their existing dock. This is on Kingswood Lake lot #16. The dock length of 235 feet will be perched on shore however with this change the impermeable surface will be reduced nevertheless the application was thorough enough to be approved thereby being forwarded on to the town clerk then in turn to DES.
7. B. Culvert Application: The property owner, Mr Fluckinger, filed for approval to access lot 5-1 by a culvert across water drainage. This is an ABS culvert that is made up of plasticized material. The application appears to satisfy culvert construction requirements. Next the application will follow the necessary channels on to DES.
8. The review of the Piscataqua Region Environmental Planning Assessment (PREPA) Form was accomplished. Sang Curtis, went through the assessment statement by statement while, Dick Peckham, provided valuable input. The next step will be to discuss PREPA with the representative at a scheduled meeting.
7. No report from the Selectmen representative.
8. Planning board meeting was cancelled along with the next planning board meeting due to the annual town meeting in March.
9. Next planned meeting will be 1 April 09.

10. Meeting was terminated at 5:45PM

Submitted by John Nelson, Vice Chair
