

Meeting of the Canterbury Recycling Committee  
Tuesday June 7<sup>th</sup> 2011

Members Present: Adrienne Allaire  
Seth Cohen  
Jim Higgins  
Bob Stump

The meeting was called to order at 6:47 pm

New Business:

1. The committee discussed the 30<sup>th</sup> annual NRRA conference as it related to new information for expanding the (CES) school recycling program and bettering Earth Day events 2012 in Canterbury. Highlights included an “Earth Day Appropriate Dress” contest for school-aged children, upper-level essay contest about why Earth Day is important now and how it came to be established, emptying bins/participation as part of community service hours, the naming of the school club as the “Green Club” and the dynamic of parent/student/school staff to extend the influence of any and all recycling/earth day programming
2. Adrienne gave a brief summary of workshop information from the conference with potential to expand revenue possibilities for the town through better separation and competitive new processes coming to the NE area in the field of *Waste Conversion Technologies*.
3. The committee discussed the upcoming Canterbury Fair events, including a booth to be shared with the Energy Committee, a possible raffle of a recycling bin and other green-minded goods as well as YTD recycling statistics to be displayed on a large whiteboard or poster-board at the booth.

The meeting concluded at 7:51 pm.
