TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of Chichester, in the County
of Merrimack in said State, qualified to vote in Town
affairs:*

You are hereby notified to meet at Town Hall in said Chichester on Tuesday, the 11th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see if the town will vote to pay three percent discount on all property taxes paid on or before July 1st, 1924.
4. To see if the town will vote to raise the sum of \$400 to fight the white pine blister.
5. To see if the town will vote to raise the sum of \$699, the State to give \$1,048 for Trunk line construction.
6. To see if the town will vote to raise the sum of \$1,200, the State to give \$3,600 for Trunk line ~~construction~~. MAINTENANCE
7. To see if the town will vote to raise the sum of \$375, the State to give \$375 for town road maintenance.

8. To see if the town will vote to raise the sum of \$200, the State to give \$200 for State Aid maintenance.

9. To see if the town will vote to raise \$50 to repair road leading from home of C. C. Perry to J. L. T. Shaw's, said money to be used in cutting off top of first hill and filling up over ledges on second hill and between the two hills.

10. To see if the town will vote to accept certain funds in trust, which have been received, or may be hereafter, the income thereof, to be used for the perpetual care of cemetery lots.

11. To bring in your votes for the election of Delegates-at-Large, Alternative Delegates-at-Large, District Delegates, Alternate District Delegates to the National Conventions of the Democratic and Republican parties, to be held for the purpose of nominating party candidates for President and Vice-President of the United States.

Given under our hands and seal, this 23rd day of February, in the year of our Lord nineteen hundred and twenty-four.

H. M. LEAVITT,
L. A. SANBORN,
A. L. WEST,

Selectmen of Chichester.

A true copy of Warrant—Attest:

H. M. LEAVITT,
L. A. SANBORN,
A. L. WEST,

Selectmen of Chichester.

LIBRARIAN'S REPORT

There are in the library 1,957 volumes. Forty-four new books were purchased in 1923. We also received a copy of New Hampshire Beautiful, by Nutting, as a gift from Mrs. Nellie Lake Foster of Waltham, Mass.

The usual books have been sent to us from the State.

New books for 1924 are being added.

SADIE A. LANGMAND,
Librarian.

Selectmen, dog license	142.70
State Treasurer, equalization	36.64
Union School District, rebate	18.82
C. W. Edmunds, windows	4.00
Town of Pittsfield, tuition	108.00
Town of Epsom, tuition	108.00
	\$6,398.16
Cash on hand July 1, 1922	120.24
	\$6,518.40
Grand total	\$6,518.40
Paid on orders drawn by School Board	5,368.46
	\$1,149.94
Cash on hand June 30, 1923	\$1,149.94

HARRY S. KELLEY,
School Treasurer.

I hereby certify that I have examined the financial accounts of the Treasurer of the School District for the year ending June 30, 1923 and find them correctly cast and supported by proper vouchers.

BLANCHE H. EDMUNDS,
Auditor.

August 3, 1923.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Chichester:

The Superintendent of Schools submits for your consideration the following report.

Because of the change in superintendents last summer it is impossible for this report to cover completely the work of the school year 1922-23. Its aims will be to state briefly the most important information at hand in regard to the schools for that period, to summarize the progress of the first half of the present school year, and to point out some important steps that should be taken in the future.

In regard to the schools of last year the accompanying statistical table lists the schools that were open, the names of the teachers and their salaries, the number of half-days each school was in session, the number of half-days lost by each school because of holidays, teachers' institutes, bad weather, etc., the number of weeks each school was in session, and the total enrollment, average membership, average attendance, per cent. of attendance and number of tardinesses for each school. By comparing this table with the one in last year's report it is interesting to note that the total enrolment for all schools was five less than for the previous year, the average membership was 4.1 more, the average attendance 2.4 more, the per cent. of attendance 1.9% less, and the number of tardinesses 69 less. Considering the severity of the weather last winter the drop in per cent. of attendance is not surprising and the effort that brought about such a decrease in tardiness under such conditions is highly commendable. A still better record ought to be made this year. The habit of being on time is a valuable one.

In the honor roll we find one pupil with perfect attendance for the full year as compared with none for the year before.

The following pupils completed the elementary school work last June:

Bear Hill—Guy Mitchell.

Center—Beatrice Grady.

Horse Corner—Donald Swain.

During the summer a few repairs were made such as cleaning, painting and shingling. Nowhere will one find a better example of the remarkable improvement in lighting conditions by the painting of walls and ceiling than at the Pine Ground. When school opened in the fall the room was most distressingly dark and dungeon-like. Now it is pleasant and cheerful and the attitude of the teacher and pupils has immeasurably improved. The ceiling and floor at Horse Corner were similarly improved but the walls need attention, also. Nearly all of the schoolhouses have far too little light and with dark colored walls a large part of the light that does get in is absorbed instead of being reflected about the room.

What should be done in the way of repairs with the Kelley's Corner and Pine Ground schoolhouses is a question that must be answered by the voters of Chichester in the immediate future. Several citizens have truthfully remarked to the superintendent within the last few months that the sheds at these two schools are "a disgrace to the town" and the schoolhouses themselves are in a condition not much better. The scheme of building a modern two-room schoolhouse near the junction of the Bear Hill and the State roads and consolidating the Kelley's Corner, Bear Hill and Pine Ground schools should be carefully considered.

All the desks at the Center and at Horse Corner are too large except for the largest children. While sitting the smaller children cannot touch the floor with their feet and the desks are nearly as high as their shoulders. When they write they sit on one foot in order to reach. This condition is exceedingly bad for their physical development. A few smaller desks should be procured to accommodate them.

A carefully studied policy of progressive development of school buildings and schoolrooms should be adopted. In addition to the minor repairs such as cleaning, oiling of floors, painting, and shingling that should be made *every* year, a few hundred dollars should be invested in such improvements as new desks, blackboards, schoolroom heaters, chemical toilets, and remodeling. If Chichester boys and girls are to have opportunities equal to those for boys and girls in other parts of the state and country, this must be done.

During the first half of the present school year some changes have been necessary in the teaching staff. Although the school work was somewhat disturbed by these changes the rapid progress being made since the changes will more than make up for any handicaps. The rural towns in New Hampshire that have as efficient teaching forces as Chichester are few indeed. The District may justly be proud of its teachers. The following table shows what schools are open, the teachers and their salaries, and the total enrolment and the total present membership of each school as well as the total enrolment and total present membership for the whole town.

TABLE

School	Teacher	Weekly Salary	Total Enrollment	Present Membership
Kelley's Corner	Mildred Emerson	\$18	12	11
Pine Ground	Thelma Daniels	22	31	24
Bear Hill	Loretta Jeanotte	24	13	11
Center	Frances Towle	21	21	20
Horse Corner	Eva L. Jordan (13 wks.)	18		
	Catherine McKay	24	10	10
Totals			87	76

In November, 1923, uniform tests in arithmetic and spelling were given to the children, nearly five thousand in numbers, in the eighth grades in all New Hampshire public schools. The spelling test was one which has been given in a number of city school systems with an average rank of about 74%. The average of the entire state was 67.42%. For the twenty-one eighth grade pupils in Chichester who took the test the average was 46.2%.

The arithmetic test was the same as was given in 1846 to pupils in the Springfield, Massachusetts, High School. The Springfield *ninth* grade average in 1846 was 29.41%. The New Hampshire *eighth* grade average in 1923 was 49.29%, and the Chichester average for the nineteen pupils who took the test was 57.9%.

In order to find out how Chichester pupils compare with those elsewhere standard tests in the fundamentals were given during the fall term to all pupils in the fourth to the eighth grades. Similar standard tests should be given at least every two years to measure the efficiency of the instruction.

Teachers' meetings are held monthly except December and March to work on problems common to all the schools. The most important one confronting us at the present time is the working out of a program of studies much more in detail than that suggested by the state. Each teacher should have an outline of the work to be covered in each subject in each grade. At the September meeting the teachers organized themselves as a group to make some progress with this work. At the present time it is well under way but it is a stupendous task which cannot be completed in a single year nor in two years.

With this evolution of a definite detailed program of studies should go a progressive plan of adoption of up-to-date textbooks. A pupil studying United States History from a book printed in 1916 is likely to lack a sufficient understanding of America's part in the affairs of today.

The physical examinations in the schools reveal the fact that many pupils are suffering from physical defects that can easily be prevented and possibly cured by proper physical exercises and health instruction. A carefully planned course in physical education should be adopted to meet this condition. In several states a certain amount of physical training each week is required by law.

If parents, teachers, pupils and school officials continue as in the past to work together, to do in co-operation, Chichester citizens will continue to be justly proud of Chichester schools. Let us make those words our motto: DO IN CO-OPERATION.

Respectfully submitted,

L. B. BADGER,
Superintendent of Schools.

Pittsfield, N. H., Feb. 6, 1924.

STATISTICAL TABLE
For Year Ending June 30, 1923

SCHOOL	TEACHER	Annual Salary	Number of Half-day Sessions	Number of Half-days Lost	Number of Weeks	Total Enrollment	Average Membership	Average Attendance	Per Cent. of Attendance	Number of Tardinesses
