

QUESTIONNAIRE ABOUT POSSIBLE MODIFICATIONS TO THE DRI CHECKLIST

January 10, 2011 - **DRAFT 1**

If you are suggesting a specific example of a project that could be added to, modified, or taken off the MVC's DRI Checklist, please use this questionnaire to supply specific information about that project. In order to organize and better evaluate these suggestions we need information that is as specific as possible and we need to know how these suggestions would affect real projects. Please fill out one form for each project, and return this to the MVC by January 31, 2011, so the results can be discussed at the next LUPC meeting.

1. Project Name: _____

2. DRI Number: *(to be supplied by MVC staff)* _____

3. Description of project

4. This project was reviewed by the MVC and should / should not have been reviewed by the MVC because:

5. This project was not reviewed by the MVC and should / should not have been reviewed by the MVC because:

6. This project was reviewed by the MVC and the following conditions placed on the project were:

Appropriate and/or necessary because: _____

Inappropriate and/or unnecessary because: _____

7. Local review for this project involved/would involve the following boards and permits:

8. Could the local board or boards review:

- Traffic?
- Parking?
- Architecture?
- Landscaping?
- Lighting?
- Pesticides, herbicides and fertilizers utilized in landscaping?
- Noise?
- Drainage?
- Nitrogen impacts on (sensitive) watersheds?
- Impact on need or supply of affordable housing?
- Impact (if any) on public viewsheds?

9. What other factors would a local board consider?

10. What conditions could local boards place on the project? (If possible compare local conditioning authority to conditions imposed by MVC.)

11. Could a local board deny the project outright? _____
