Dear Town Fathers:

I would like to make a request for

State Scup Youth Initiative of N.J.

They are having a week long retreat

on July with over 30 local youths. They

will be based at the Captain Flinders House.

My request, could they have a school bus

with the youth participants to Lucy Vincent

beach to get a 'lucky' stone. It would

take approximately 20 minutes. They would

not be swimming or eating on the beach.

The stones are used in their program

as a learning tool & visual reminder of

their retreat

Thank you for your consideration

With  
Regards,

Tuliana Flinders
