Subject: chilmark school community lunches

Dear Mr Carroll and Executive Secretary to the Board of Selectmen;

I spoke with Dilly today and she recommended that I send this info to you by email. We would respectfully request that the Chilmark School be able to reserve the Chilmark Community Center for their Local Community Lunches on the following days:

10/21/11, 1/20/12, 4/27/12 and 6/8/11.

Permitting for the preparation of food is also underway. Hours needed are roughly 10:30- till 2:00, similar to last year, and we have parents to help with set up and take down. Many thanks and

Sincerely Yours,
Elizabeth Bradley
Chilmark Music Teacher and
Island Grown Schools Garden Coordinator
