Good morning Mr Carroll,

Dilly has helpfully suggested that I contact you directly in relation the request of the Martha's Vineyard Chamber Music Society (MVCMS) to rent the Chilmark Community Center on Tuesday, August 21, 2012 for the final concert of our 2102 Summer Concert Festival. I have arranged directly with Danika Dorsey the rental for the previous 5 concerts of our Summer series in July and August.

2012 will be our 42nd season of bringing world class music to Chilmark audiences and given this, together with the fact that students and children are admitted free, **we are requesting that any additional rental charge be waived for this final concert on August 21.**

I would be pleased to discuss this request in more detail, should you wish, and/or provide any additional information which you may require.

MVCMS greatly values its relationship with the Chilmark Community and we appreciate the ongoing support we have received over the years.

With thanks and Season's Greetings,

Jane Coakley

Good morning Dilly,

I am pleased to attach a rental request form for the CCC on Tuesday, August 21, 2012. We would like to have the hall from 1:00pm to set up for an 8:00pm concert, the last of our 42nd Summer Concert Festival. The MVCMS has performed chamber music concerts in the CCC on Tuesday evenings every Summer for the past 41 years. We are requesting that the hall be rented to us at no charge, given our gift to Island audiences of world class music. Students and children are admitted to our concerts for free.

We may have a reception after the concert...to be decided nearer the time. If we do a reception, we are likely to serve alcohol.

Please let me know if you require anything further from me.

With thanks for your fine assistance,

Jane
