Please accept this letter as resignation of my position as Administrative Assistant in the Town of Chilmark. I would like to offer notice to the date of March 23, providing time to hire, train and orient a new employee.

My decision to resign was finalized after long and careful consideration of many factors; I regret leaving friends and one of the best groups of fellow employees I have ever had the pleasure of working with. I assume I will complete any outstanding projects and business affairs before my departure – a transition I will handle with my usual professionalism and sense of humor!

It has been a pleasure to work with you all and for a town I call home.

Sincerely,  
Todd Christy
