

Dear Selectmen,

I am Writing a letter to you  
in hope of starting The planning process  
for a concert on Beetlebung farm on August 5,  
2012. Our intent is to bring a band in to  
perform just as we did in March and  
last fall, under the name "The Beetlebung festival of  
the arts and edibles." The nature of this concert  
will be to fundraise for a Boston based cancer  
foundation called "Target Cancer" run by seasonal  
Chilmark resident Kristen Palma who lives at  
32 Ocean View farm Road. I am interested in  
exploring the possibility of making this event happen,  
and if so working out the logistics of parking within  
the town and any permits that may be necessary.  
My phone number is 508.560.2814.

Please let me know if you have any other questions.

Thank You,

Chris Fischer
