Seth is awesome,
We should definitely get him to come give a presentation as soon as he's available,

Tim – thanks for the info. I think we'd be very interested in hearing more about it. This is a topic that's come up more than once on the Planning Board.

I'm copying Andrew Fischer as well, as he is our "energy" guru on the Planning Board.

Let me know if you need anything from the Planning Board to make this happen.

Dear Selectmen & Janet

The DEP took me aside at the Solar workshop and asked if we would reconsider becoming a green community. I told them we would not entertain a zoning bylaw that established Wind Turbine placement by-right. They told me that isn't a requirement anymore and asked if Seth Pickering could come make a presentation to the Planning Board and Selectmen.

Please let me know what you think.

Tim Carroll, Executive Secretary 508-645-2101 v 2110 f

Please change @ci.chilmark.ma.us to @chilmarkma.gov for all Chilmark addresses. The Secretary of State's office has determined that most e-mails to and from municipal offices and officials are public records. Consequently, confidentiality should not be expected.
