RE: Important Price Adjustment Information

Dear Chairman and Members of the Board:

As part of our commitment to provide our customers in your community with the best entertainment and communications experience, we continue to invest in making our services even better. Here are some highlights of the many services available to our customers, as well as some of the improvements we've made in the past year:

- XFINITY On Demand™ – with thousands of top shows, hit movies and more - with 90% FREE.
- We now offer many free help and how-to videos. Customers may visit www.youtube.com/xfinity to learn how to program a remote control or DVR, manage parental controls, sign up for paperless billing, and so much more.
- We've improved our online experience. Visit our new and improved website at www.comcast.com/myaccount, where customers can login or set up a user name. Through the website, customers can manage account preferences, equipment settings, pay their bill, manage appointments and get help whenever they need it. Customers can also watch favorite programs online, set their DVR, and add favorite shows to their queue. Customers can also use our mobile site at m.comcast.com from a smartphone to manage appointments, check their balance, and receive text alerts.

While we continue to make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting January 22, 2013, new prices will apply to select* Video and Internet services and equipment as indicated in the attached.

Should have any questions regarding this information please do not hesitate to contact me at 508.356.3295.

Sincerely,

Mary O'Keeffe
