Subject: FW: Solarize Mass Round 1 Open
Attachments: 2013 Solarize Mass Opens; Massachusetts 2013 Solar Incentive Program Opens

Good Afternoon,

The Massachusetts Clean Energy Center announced their most recent Solarize Mass Program yesterday afternoon. It is open to all municipalities here in the Commonwealth and I encourage you to review the attached materials and consider whether your community may want to take part in this. To date 21 communities have taken part in the Solarize Mass Program. Previously the program had only been available to designated Green Communities. Please feel free to contact Elizabeth Kennedy at the MassCEC with any questions you may have or you may also contact me if you wish. I hope we have some Southeast Region applicants in this round.

Best Wishes,
Seth

Hi All,

Attached please find the blast email that just went out to our solar distribution list. I've also attached a copy of the press release that went out as well. If you could pass along the email out to your distribution lists as well, it would be greatly appreciated. Let me know if you have any questions.

Thanks!

Elizabeth Kennedy
