Dear Mr. Carroll and Mr. Goldman:

Martha's Vineyard Community Tennis (MVCT) is a non-profit organization comprised of Island tennis players and professionals, all volunteers. Our goal is to promote and support tennis related activities Island-wide. We are affiliated with the United States Tennis Association (USTA) as an approved community tennis organization.

We offer a variety of services and programs including providing the public with information on tennis leagues, tournaments, clinics, tennis professionals and exhibitions. Proceeds from fund-raising tournaments we have sponsored have been used to support the Martha's Vineyard Regional High School tennis teams, for college scholarships and for improvements to publicly used tennis courts.

MVCT would like to expand our support of community tennis by assisting Island towns in procuring available funding from the USTA for tennis programs and infrastructure improvements. We would very much like to meet with you to discuss your town's tennis needs to see if we can help.

Please feel free to give me a call at 508-560-0525 to discuss how MVCT might be of assistance to your town.

Sincerely,

Kelly Hess, Co-Director
