

To Whom It May Concern-

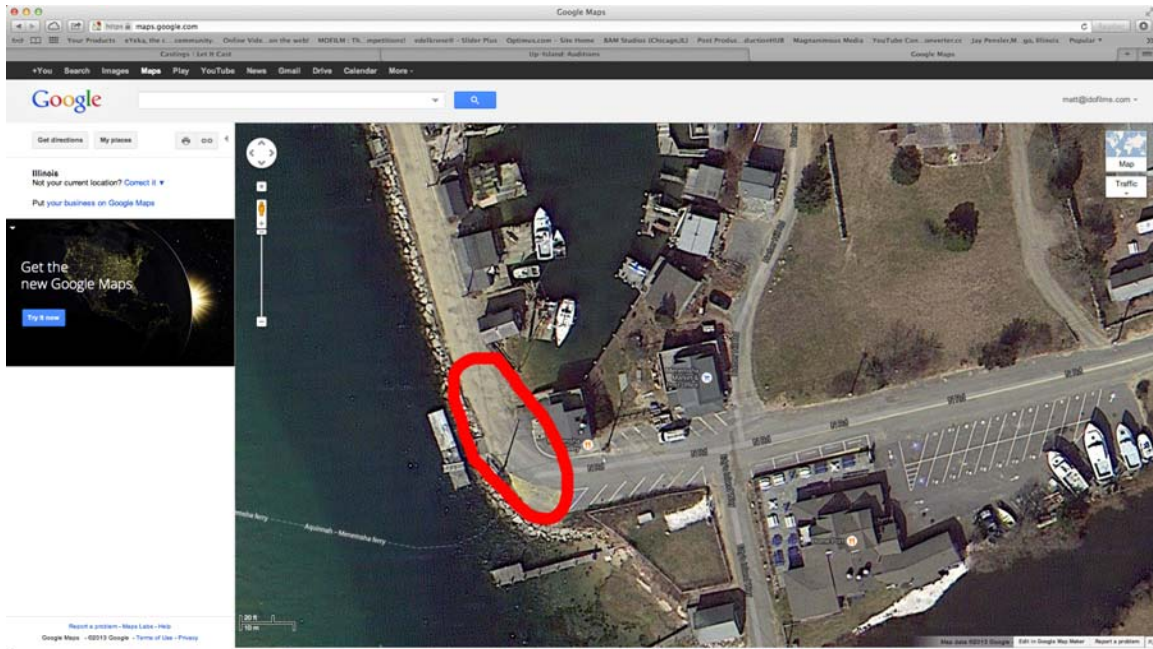

My name is Matt Buckman, a filmmaker from Chicago, Illinois. I own a videography company and over the last three years have had the pleasure of filming some amazing weddings on Martha's Vineyard in the Chilmark area for families like the Bergers and MacDonalds. And we'll be there again for another amazing wedding on September 1st.

After spending so much time on the island over the last few years I've really fallen in love with it and decided I would love to film a short 10 minute film on the island. So I finally wrote a short little love story that I would like to film in the Chilmark area. Most of the film will take place at a private home, but there is one scene we'd like to be able to shoot at sunset near the Manemsha Pond. We would like to film it on the pier near the Homeport restaurant.

There are only 3 actors in the scene, and they are professional actors so they will obviously be very professional and respectful to the area. We are filming with a small camera and only a 3 person crew. So this won't look like a big production at all. We'll just be 5 or 6 people filming some dialogue as the sun sets. And I know that during the summer this area can be extremely crowded so we've decided to shoot in October during the off-season so that we don't affect the summer crowds.

Here are two satellite images of the areas we'd most likely film in. The areas are circled in red.

It would most likely take us 1-2 hours to film the dialogue and we'd be filming near sunset. It's a quiet scene, so there would be no loud noises or anything of that nature and we'd be using natural light, so there would be no large lighting set-ups.

We are seeking your permission to film in this location during a weekday in October. Please let me know if you have any questions. Thank you so much for your time and consideration. I've attached a photo of myself so you can put a face to my name. And I'm also including a link to our website – www.idofilms.com. On our home page you'll find a video featuring Alix Berger and Ollie Childs – the first wedding we filmed on the vineyard, and there are other Martha's Vineyard weddings in our samples. Alix and Ollie will most likely be assisting us with this film. Thanks again!
