Dear Tim,

Please share with Warren Doty, Jon Mayhew and Bill Rossi our thanks and appreciation of Dilly Deblase's expert help and notarization of the Prospect Hill Association lottery for bays in the Red Barn.

Dilly's expertise in scanning and emailing results shortened the anxiety of the waiting contestants.

And her witnessing my signature may have made some of our more fussy neighbors less fussy. I do not think she should have to share any of her Chilmark Chocolates.

Thank you for supporting our very small subdivision of government.
