RE: 2013 Fair Safety and Security Team

Dear Chief Cioffi.

I would like to take this opportunity to thank you and Officer Bret Sterns for your support assisting this department in the security for the 2013 Martha's Vineyard Agricultural Fair. Officer Sterns was a great asset to our department. Our department looks forward to working together in the future with you. In today's world, it is important to work together and share our assets. Thanks again.

Sincerely
