Dear Members,

We are writing to express our appreciation and gratitude for the assistance extended by your Police Department during the 4th of July festivities.

Many people take for granted the planning that goes in to an event like this. It proved to be even more difficult this year in light of the Boston Marathon bombings. It would have been impossible to put a carefully worked plan into effect without your town's assistance. Your personnel are to be commended for the patience, courtesy, and professional demeanor displayed before, during, and after the parade.

We look forward to working with your Town in the future.

Sincerely,

Margaret E. Serpa, Chair

Arthur Smadbeck
