Dear Members,

I am writing to express our appreciation and gratitude for the assistance extended by your Police Department during the October 6th Save The Gay Head Lighthouse 10K Road Race.

The carefully worked plan of having the race along both State Road and Moshup's Trail would not have worked without your town's assistance. Your personnel are to be thanked for their patience and the professional manner in providing the manpower the race organizer's needed to make the event the success that it was.

We look forward to having you back next year!

Sincerely,

Beverly Wright
Chairperson,
Town of Aquinnah Board of Selectmen
