# HAPPY HOLIDAYS

**A**ssorted seafood, conversation and more.  
Captured in the ocean, skated to your door.  
Solid quality, by the fishermen's hand.  
Iced with customer service, here on land.

It takes a team, with mutual drive.  
To buy, to sell, and to fish and to thrive.  
A fast ball, a homer, or a "you're out" call.  
We create, dominate, and endure it all.

Our customers and fishermen, we all have a role.  
Every position in the team, ensures our growth goal.

Happy Holidays & Thank You. We appreciate being here.  
Creatively growing, into another successful New Year.

*Sincerely, Your Red's Best Team*
