RE: Squibnocket parking lot and Squibnocket Farm access

Dear Selectmen,

The following is a proposal for consultation services regarding the relocation of the existing Squibnocket Beach parking lot. Vineyard Land Surveying & Engineering, Inc will work with a qualified professionals to evaluate the current proposed project and it's effects on the barrier Beach system as well as the adjacent Squibnocket Pond. The following items will be addressed through this evaluation:

1. Review and evaluate existing conditions survey, published shoreline erosion data, and FEMA flood data and its integration into the proposed project
2. Analyze existing and proposed parking area locations and project impacts of future coastal erosion and possible sea level rise.
3. Address questions and concerns raised at the public meeting regarding the proposed project
4. Offer alternatives analysis and considerations for the current proposal.

\$ 7,500

If you have any questions regarding this proposal, please call me.

Sincerely,

Reid G. Silva, PE PLS
