Subject: WRRRP Program (Pothole and Routine Maintenance Funding)

Morning All,

In response to the Winter Rapid Recovery Road Program (WRRRP) letters that were sent to communities earlier this week;

The following information is IMPORTANT.

The District has been informed that letters concerning this **limited program** were sent out to your community's **Town/City Contract Signatory**.

Directions are included with the letters.

It is important to get the Contract signed and returned to the District 5 State Aid Office ASAP.

Note the letter indicates a one week time frame to return these signed contracts.

NOTE: To aid in a quicker turnaround time, the District 5 State Aid office has also put together this e-mail to aid Cities and Towns.

Included is a **generic letter** explaining the Program and a **Contract** that should be signed and returned to the District 5 State Aid office.

A list of the apportionment amounts for the individual District 5 municipalities is also included.

The State Aid office has been informed that a project request **is not** required to begin this work.

After signing the contract and completing the work please forward along all paid invoices to the District 5 State Aid office using the

Standard CH 90 Reimbursement Request Form clearly labeled as **(WRRRP) Program**.

This will ensure that funds are drawn down from the correct program.

Contracts should be mailed ASAP to:

Mass DOT
Highway Division
District 5
1000 County Street
Taunton, MA 02780

Mary-Joe Perry
District Highway Director
