Subject: Temporary Dock Price

Hi Tim,

We are pleased to offer you a price for an 8' x 80' concrete floating dock including internal tubes and pull boxes for utilities, (4) internal pile guides for 14" steel pile, 90' of 3" D fendering, (6) 12" cleats, engineering design and stamp for the site, sub-assembled and delivered to Woods Hole, MA. Our price is \$92,786.00. Please let me know if you would like a more formal proposal and feel free to give me a call with any additional questions or concerns.

Sincerely,

Jay Varga | *Manager of Project Development*
