Yes. You were on the Harbor Advisory Committee. It is an annual appointment. It is time for the Selectmen to appoint a new committee for the next year.

Dear Valued Volunteer,

I want to personally thank you for volunteering to help the town. Your participation in committee meetings is the lifeblood of our town. This email is a follow-up to my appeal on the Annual Town Meeting Handout April 28th, to people whose appointments on town committees was expiring, to please write the Board of Selectmen.

Your appointment to a town board/committee/commission(s) has expired. The Selectmen will be meeting to appoint officers for the ensuing year at their next meeting. I am writing to ask if you are considering renewing your commitment to the town for another year (or term). If you would like to request the Board of Selectmen consider you for reappoint, please give me your letter by Noon on Friday.

In past years these letters have been a simple summary of your participation over the prior year and your goals if reappointed, or they have been a one line email. It is your choice. Feel free to tell the Selectmen what you are proud of working on and your plans for the future.

Best,

Tim Carroll, Executive Secretary
