To the Town of Chilmark Selectmen,

I wanted to take this opportunity to express sincere gratitude from all of my family for the use of the Chilmark Community Center on Sunday June 01, 2014 to host a fundraiser for my grandfather Ed Colligan. The outpouring of love, encouragement and support that we have received from the community has been overwhelming and humbling. It is always amazing to be reminded of what it truly means to be a Vineyarder.

In 2005, Ed was diagnosed with terminal lung disease (ILD). At that time, he was given a life expectancy of five (5) years. Now, 9-years later he is still proving what it means to LIVE. He has lived everyday of his life to the fullest, and has let nothing stand in his way. During the first weeks of May, we sat in the hospital with him and were told to begin planning his final arrangements. At no time did anyone expect us to be sitting in his living room today planning a completely different type of event. Seeing him at home, surrounded by the people and things that he loves, has made this whole situation seem that much more amazing and inspirational. In order to keep him home, we have had to hire private nursing, which as many know, is not covered by insurance. After my father wrote the first check to the private nurse, being true to his typical selfless nature, Papa told us that he thought it would be a good idea to cut back on his care. He did not want to cause any hardships for our family. The next day, I was able to tell him that this fundraiser had already raised enough money to maintain his current level of care for the next 6-weeks. He has not mentioned cutting back care since. As a family, we know that his needs will become greater as things progress, and we feel so blessed for the outpouring of support.

Thank you for your kindness,

Jenny

Dear Abutter:

Massachusetts General Laws Chapter 131 Section 40 requires any person filing a Notice of Intent with a conservation commission give notification to abutters.

As such an abutter please note that a Notice of Intent has been filed with the Chilmark Conservation Commission on behalf of RMJ Dock LLC to rebuild, repair and maintain in perpetuity the existing pier (License #4712), including replacing piles, decking, stringers and bents as necessary. The proposed work is located in Menemsha Harbor at #16 Harbor Hill Road, Assessor Map 27.1, Parcel 104, Chilmark, MA.

Copies of this Notice of Intent are on file with the Chilmark Conservation Commission at the Town Hall. For more information or to examine copies contact the Conservation Commission at the Town Hall (508)-645-2114 or this office.

At least 5 days before the public hearing, a legal notice will be published in a local paper.

Sincerely,

Re: Notification of Publication of BCEGS Classification

Dear Mr. Jason:

This is to advise you that ISO will implement the Building Code Effectiveness Grading Schedule (BCEGS) classification for Chilmark as a Class 99 for 1&2 family residential property and a Class 7 for commercial and industrial property. The revised BCEGS classification will apply to new buildings receiving a Certificate of Occupancy during or after the year 2014.

ISO reviews a community's BCEGS classification approximately every five years. If a community significantly changes its building code adoption and/or enforcement program within that time period and ISO is made aware of this, a reevaluation will be scheduled.

Thank you once again for your cooperation in this important project. Please feel free to contact ISO for more information about the BCEGS program or to request a reevaluation.

Sincerely,

Mary Lucidi

Attention: Timothy Carroll
Executive Secretary

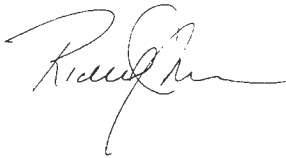

Dear Mr. Carroll,

As per the Power Purchase Agreement (PPA), between Vineyard Power Solar V, LLC (System Owner) and the Town of Chilmark (Host), signed on November 20, 2013, section 3.6(a) - Early Termination by System Owner & due to NSTAR utility upgrade charges that "were not known and could not reasonably have been known as of the Effective Date and that could reasonably be expected to substantially increase the cost of the construction of the System," we, as System Owner, hereby terminate said PPA as of May 22, 2014.

Pursuant to the termination of the PPA, under section 2 - Term, of the Lease, between the System Owner & Host, signed on November 20, 2013, this Lease shall terminate automatically.

We look forward to continuing to work with the Town as we near completion of our 99kW solar landfill project.

Kind Regards,

Richard Andre,
President
