Subject: Re: HGTV - Filming Request

Hi Tim,

Thanks for the quick response back! I understand Lucy Vincent and Squibnocket are private beaches so we will not need to film on these.

Would we be required to obtain a permit to film on Menemsha Beach if we are just getting B-Roll shots like people playing, eating, walking on the beach, sunset shots, etc? If so, what steps do I need to take to make sure we would be on the agenda for the Board of Selectmens on June 17th? We are filming all over the island as well. Is this meeting just for the town of Chilmark?

Thanks!

We are looking to film all over the island get all the iconic shots that we can. Are there any restrictions/permits needed to film on the beaches in Chilmark? We would be a very small crew and wouldn't be blocking any sidewalks or roadways.
