Hey Tim,

What can I do to get a conversation going with the selectmen once again about the outrageously loud music that comes from the Beach Plum Inn?

Thanks,

Scott

Subject: Noise complaint for the Inn

Hi folks,

I understand that there are some changes in supervision at the Inns. This weekend I was contacted by a neighbor about a noise complaint. I have not spoken to them yet.

Before I did, I was hoping you could tell me what was going on this weekend and what steps were taken to reduce the impact on the neighborhood. I am worried that all the planning that was done by the former manager and the site visit we had to the Beach Plum Inn is being forgotten by the new staff. This would be unfortunate and could cause a resurgence of complaints.

That brings me to another point. The Permits for the two Inns and the Homeport were issued to the manager. Since he is not managing anymore, I asked that Swordfish Enterprises send the town written notice of the change of management. In the case of the Homeport, I assumed that it was changing to Josh, but then heard he is only the employee Chef. Now that the Inns are changing management and we have had a complaint, you need to make it clear who the person that is responsible for the daily operations and is available to the town and public is.

Please send the Selectmen a written request to transfer the Common Victualler permit for the Homeport, and the Inn permits to whoever is the manager of each property. I would then submit it to the Selectmen at their meeting July 1 for their approval. I would expect that you will bring these people over to meet the Selectmen at their meeting at 7:30 PM. Having a relationship with local business operators is important to the Selectmen and essential for smooth community relations.

Thank you,

Tim

We the undersigned respectfully petition the selectmen to consider a ban on amplified music in Menemsha. The unique geography of Menemsha causes the music from the Beach Plum Inn and other outdoor venues to be so loud that it is unbearable on most occasions to those of us who live and work here.

Chilmark Board of Selectmen May 21, 2013 Meeting Minutes

Present: Chairman Doty, Bill Rossi, Jonathan Mayhew, Tim Carroll, Jonathan Revere, Anna Merhalski, Dennis Barquinero, Frank Lo Russo, Judith Lo Russo, Jane Greene, Max McCreery, Joan Malkin, Leslie Clapp, Frank Fenner, Brian Cioffi.

Minutes:

Draft minutes from May 7, 2013 were reviewed, a correction was made. Mr. Rossi moved to approve the minutes as corrected. Mr. Mayhew seconded the motion. **SO VOTED: 3 Ayes**

MVFF / Cinema Circus Parking Plan, 2013 Season:

Anna Merhalski production manager for the Martha's Vineyard Film Festival and the Cinema Circus presented the Selectmen the parking plan for the 2013 season. An extensive plan created by Ms. Merhalski with diagrams of where parking would be was reviewed. Discussion ensued.

Mr. LoRusso asked Ms. Merhalski to make sure she speaks with Jenna of the Chilmark Tavern concerning the parking. Ms. Merhalski confirmed she would.

Ms. Merhalski said that she will have the paid parking attendants work with parking Library event attendees as well and to have the senior residents parking as close to the library as possible. They will utilize their hand held radios to assist in this plan.

Chairman Doty said he appreciated the effort that Ms. Merhalski put into the plans this year.

Mr. Doty said that with the Library and the MVFF / Cinema Circus parking both for events on Wednesday nights if this years plan does not work one will need to move to another night.

Island Center for Living:

Director Leslie Clapp presented information to the Selectmen concerning the possible County Building site at the Airport that could share space with Supportive Day Program. Now the program has 2 days in the Tisbury Senior Center and 2 days in Edgartown. The program serves 18 individuals with a waiting list. Discussion ensued. Ms. Clapp said she would keep the Chilmark Selectmen updated as meeting progress.

Beach Plum Inn Update:

Inn Manager Dennis Barquinero was present to address the upgrades made to the "Gazebo" which was causing noise complaints from Menemsha neighbors. The Gazebo is where the Inn holds receptions and entertainment with live music. The Inn owners have sealed the windows closed and closed in three sides of the Gazebo in order to subdue the noise.

Mr. Barquinero said this Memorial Day weekend will be a trial weekend to test their sound limiting. They have an event scheduled and will test to evaluate the improvements.

Mr. Barquinero said if this is still not sufficient the owners have looked into noise reduction curtains but they are very costly estimated at \$3,000.00 each.
