Hi Tim.

Jim Greene at MassDOT had asked me for a sketch map of the Town's sidewalk proposals at Beetlebung. Attached is my understanding of what you decided at the site visit two weeks ago. If it is correct, and you haven't already provided him a sketch, you're welcome to forward it to him ([james.greene@dot.state.ma.us](mailto:james.greene@dot.state.ma.us)).

He was also going to send MassDOT's form for the Town to assume maintenance responsibility for the sidewalks, but I suggested he might communicate with you directly on that.
