Hi Tim,

If I am not on the agenda may I ask you to put me on the August 19 Selectmen's agenda for the following?

1. Ask the Selectmen to approve the Planning Board subdivision of the Nab's Corner lots. This is needed because the utilities plan that NStar is reviewing was designed for this plan and the new curb cut and roadway. It also affects the legal documents for the road and utilities easement agreements for the new roadway. See the attached Planning Board subdivision approval conditions from June 2009.
2. We are receiving the response(s) to the Nab's Corner well installation RFP this Thursday. The timetable calls for asking the Selectmen to award the job at their August 19 meeting.

Thanks a lot.

Chuck
