Re: Wednesday evening summer programing update

Dear Selectmen,

The Library Board of Trustees has asked me to let you know how happy we were last summer with the new Film Festival summer schedule. They moved the Cinema Circus youth festival from every Wednesday evening at the Community Center to three separate Sunday events held around the island.

We heard wonderful reviews from families who attended the festival in Chilmark and loved the extended daytime format. And we were glad to be able to offer the use of our meeting room on a Sunday. But most of all, we heard from so many patrons who were relieved to not have to go through the weekly vehicle crush that used to overtake Beetlebung Corner on Wednesdays when our weekly adult lecture coincided with their festival.

We thank you for your input and assistance in working out a solution.

With gratitude,
Ebba Hierta
Library Directors
