Dear Abutter:

Massachusetts General Laws Chapter 131 Section 40 requires any person filing a Notice of Intent with a conservation commission give notification to abutters.

As such an abutter please note that a Notice of Intent has been filed with the Chilmark Conservation Commission on behalf of Paul W. Dimaura to repair an existing driveway and parking area, construct stone retaining walls along the driveway, a walking path, and to plant landscape shrubs and a lawn. The proposed work is within the buffer zone of a coastal bank and wetlands at #26 Basin Road, Assessor Map 27.1, Parcels 125 and 126, Chilmark, MA.

Copies of this Notice of Intent are on file with the Chilmark Conservation Commission at the Town Hall. For more information or to examine copies contact the Conservation Commission at the Town Hall (508)-645-2114 or this office.

At least 5 days before the public hearing, a legal notice will be published in a local paper.

Sincerely,

Reid G. Silva, PE PLS
